## **Research questions:**

### **1. Which pole has got highest votes and in which Office they fall under?**

This research question will give the highest votes in which pole and under which Office Title it will fall under, by this we can understand the highest votes from which place has come and which Office has done the best crowd control correctly.

The answer I determined was the highest votes cast in Office\_Title -TRUSTEE, EP 3, 4 AND 10, Poll Name – 4-8 Optimist centre with highest total - 1963 and the least is Office\_Title - TRUSTEE, ES 3 AND 4, Poll Name – 4-9 Walkerville Rest Home with the lowest total – 0.

### **2. To determine which Candidate has got highest and least votes in which pole and under which Office?**

This research question is to know which Candidate from which poll name and office title have got the highest votes and least votes. Eddie FRANICS Candidate has got elected from Office Title -MAYOR and poll name - 4-8 Optimist centre, and Least votes are Antony (Tony) BLAK in the poll name 4-11 Marentette Rest Home in the Office Title – COUNCILLOR WARD 4 with 0 votes.

### **3. To know how many candidates from each office title and the Poll name has participated in the elections?**

This research question helps us to understand how many people in each office title has participated with a count of candidates and office name

The highest Office Title is MAYOR is 654, and the least is COUNCILLOR WARD 8 is 27

The research question also helps to understand how many people in each poll name has meant participated with a count of candidates and poll name.
